

Is your cat constantly *itching*?

If your **cat has fleas** and *has yet to be treated*, you may be eligible to enroll them in our **clinical study** for a potentially *new treatment* option.

Eligibility Criteria Include:

- Must be at least 6 months of age
- Must weigh at least 2.2 lbs
- No more than 5 cats per household are permitted
- No more than 5 dogs per household are permitted, all of whom must be on a monthly flea preventative
- At least 1 cat must have **at least 5 live fleas**

Costs for all study-related care, including exams and medication, are **completely free**.

Ask your veterinarian or the clinic staff for more information!
